BANGALORE, SATURDAY, JULY 22, 1978
(ASHADHA 31, SAKA ERA 1900). | No. 1069

PUBLIC WORKS AND ELECTRICITY SECRETARIAT

Order No. PWD 113 EIP 78.

Bangalore, dated the 20th July 1978.

Whereas the State Government is of the opinion that for maintaining supply and securing the equitable distribution of energy, it is necessary and expedient to reduce the supply, consumption or use thereof :—

2. Now, therefore, in exercise of the powers conferred by Section 22B of the Indian Electricity Act, 1910 (Central Act 9 of 1910) and in supersession of the Government Order No. PWD 82 EIP 78, dated 30th May 1978 and all other orders issued in this behalf, the Government of Karnataka hereby makes the following orders, namely :—

3. Notwithstanding any contract, agreement or requisition with effect from the 20th day of July 1978 in the case of H.T. installations and from the first meter reading date on or after the 20th July 1978 in the case of L.T. installations, no consumer of electrical energy specified in Column 1 of the Table below, who is purchasing energy from the Karnataka Electricity Board or from a licensee shall consume or use energy for any month in excess of the limits specified in the corresponding entry in Column 2 thereof :—
